Dear

This letter will confirm your employment on a contractual basis, beginning 16 April 1984, at the GS-10, step 07 level, salary \$27,708 per annum.

You should report to the receptionist at the main entrance of our Headquarters Building at 8:30 a.m. on 16 April 1984. During that day, various documents will be completed and you will be briefed on employment benefits and administrative practices. The next two days will be spent receiving instructions on our security practices as well as more specific guidance on your initial training period.

Your first salary check will not be available for approximately six weeks. Although small loans are available through our credit union, we recommend that you have sufficient funds to cover your living expenses for the first six weeks. Following receipt of the initial check, you will be paid at regular two week intervals.

Enclosed is information concerning your entitlement to reimbursement for certain travel and relocation expenses.

Sincerely,

25X1
